This year has definitely not gone how anyone expected, but it was filled with memories and relationships that we will cherish for a lifetime. Our theme for the 2019-2020 school year of “Reagan Mustangs have Heart” was challenged through this pandemic, but like always we persevered and really came together even with social distancing. The heart of the mustang could be seen through sidewalk chalk throughout Kingsburg, in the sack lunch line at Lincoln, and the posts on social media encouraging everyone to stay positive and find the good in all situations.

Thank you to teachers, students, and parents for learning alongside us during our “distance learning” phase. Even though we were not physically coming to school you kept the learning process going! We looked forward to our weekly zoom classes to see your faces and hear how you have been during this time. It was neat to see teachers, students, and parents coming together to do what was best for student learning!

Due to the school closure we missed out on a lot of fun events, like the Frozen Jr production, awards assemblies, field trips, and end of the year activities. We hope that you choose not to dwell on what was lost, but to treasure the time we had together. Through this experience we all have really learned to be grateful for the little things we took for granted like coming to school each day! We hope that over the summer you take time to enjoy your family and friends, but remember to stay safe! We look forward to seeing you again in the fall!
History Day

We had several students compete in this year’s virtual national history day competition where the theme was “Breaking barriers in history”. These students’ posters and performance placed at the county level and were uploaded and judged online, which was a first due to covid-19. Although we didn’t have any students place at the state level, we are very proud of the hard work, dedication, and positive attitudes our students had throughout the process. So big congratulations go out to the following students for all their hard work this year: Joy Howell, Ashni Purewal, Jade Perez, Madison Fall, Elijah Duarte, Jasman Pama-Guman, Alejandra Jimenez, Payton Jordan, Maleah Ortega, Kara Barsamian, Hailey Schaefer, Presley Patterson, Emma Lakey, and Alyssa Shamp.

Registration for the 2020-2021 School Year

Online registration will open for the 2020-2021 school year on August 1st. Just like last year, KECSD will not be mailing out classroom assignments. Instead the information will be accessible to parents and guardians online upon completion of the online registration through Aeries.net Parent Portal. Once you have registered online you will receive the placement for your student. The website is:

https://abi.kingsburg-elem.k12.ca.us/parent

Chromebook Return

On Monday, June 1 we will be having our Chromebook turn in day. Please bring your Chromebook and charger to the MPR. We will be there to collect these computers from 8:00 am - 1:00 pm and then again from 4:00 pm - 6:00 pm. At this time we will be handing back all student belongings as well. We will also have the yearbooks available for pick up at this time as well. If you have not yet purchased yearbook, we will have them on sale for $21.50 while supplies last. If you have any library books, instruments, or any other Reagan item please bring these at this time as well.
