

Pesticide Notification/Use

Pesticide Notification (Education Code 17612)

Enclosed with this Notice is a notification of the name and active ingredients of all pesticide products expected to be applied at District schools during the upcoming year. Parents may register with the District if they wish to receive notification of individual pesticide applications at the school facility.

NOTIFICATION OF PLANNED PESTICIDE/USE INDIVIDUAL APPLICATION REGISTRY

The Health School Act of 2000 requires all California school districts to notify parents and guardians of pesticides they expect to apply during the year. We intend to use the following pesticides this coming year:

Pest control

You can find more information regarding these pesticides and pesticide use reduction at the Department of Pesticide Regulation's Web site at <http://www.cdpr.ca.gov>.

Parents or guardians may request prior notification of individual pesticide applications at the school site. If you would like to be notified every time we apply a pesticide, please complete and return the form below and take it or mail it to your school site, attention site administrator. If you have any question, please contact the Director of Maintenance at 897-6415

REQUEST FOR INDIVIDUAL PESTICIDE APPLICATION NOTIFICATION

I understand that, upon request, the school District is required to supply information about individual pesticide applications at least 72 hours before application. I would like to be notified before each pesticide application at _____ school. (Return to you home school site administrator.)
