

Kingsburg Elementary Charter School District

MEAL ACCOUNT CHARGE/PAYMENT POLICY

2018-19

Families are responsible for payment of school meals purchased by their children. Free/Reduced Meal Applications are provided to each student in their back to school packets or at time of enrollment. **Kingsburg Elementary now offers on-line meal applications at EZMealApp.com. *Only one form per household is required*, please make sure all family members are listed on application. These forms should be returned immediately. Previous year lunch status stays in effect for the first 30 days of the new school year or until a new lunch application has been processed. If a new application is not turned in within the first 30 days of the new school year your previous year status will be revoked and your child will be put on paid status. Meals for new students are not free during the application process. YOU ARE RESPONSIBLE FOR ANY CHARGES INCURRED DURING THE TIME YOUR NEW APPLICATION IS BEING PROCESSED. You will be notified in writing when your application has been processed. AN APPROVED APPLICATION DOES NOT MEAN THAT ALL PRIOR CHARGES WILL BE REVERSED.**

Please be advised of District policy #AR 3551 regarding delinquent lunch accounts: *In the event of an emergency, meals may be charged to your child's account. However, charges may not exceed two meals. All charges must be paid before the last day of school. Unpaid charges may result in activity sanctions or withholding of records. The school should not be blamed for restricting student activities because of a lack of parent responsibility in maintaining current payments for a student's meal.*

Monies paid at the school site to the student's meal account must be placed in a sealed envelope with the student's name and teacher's name printed legibly on the front. Each school office has a secure drop box and a supply of envelopes for your child to use. The envelopes will be collected daily at which time credit will be applied to their accounts. **Kingsburg Elementary now offers EZSchoolPay.com for on-line meal payments. You can use EZSchoolPay.com to make pre-payments to your student's meal account anytime using your Visa, MasterCard, or Discover Card (credit or debit). You can also monitor your student's meal account balance online.**
