It was nice to see you at our Christmas Programs!

KHS Carolers perform for Roosevelt Students & Staff!

Willy Wonka would like to thank Lee and Robert at Wildwood Trucking for the use of the truck!

Thank you so much for responding to our request for help on the Santa Lucia Parade Float! Many of you donated materials, talents, and your precious time so the kids could enjoy the event and participate in a Kingsburg tradition. As always, we couldn't do it without parents and staff.
Much Appreciated!!

STAR Behavior on Display!

Roosevelt students are practicing **STAR** (S – stay safe, T – take responsibility, A – act respectfully, R – ready to learn) behavior in our community! They know we expect STAR behavior wherever they go and that includes outside of the school walls. I am proud to tell you that over our Winter Break I personally witnessed Roosevelt Students displaying exemplary behavior in public. They were using good manners and being polite in public settings. I also saw some of them staying safe by wearing their helmet while riding their bikes. Great job!

“We will find a way for all students to learn.”
