School Accountability Report Card
Reported Using Data from the 2019-2020 School Year
Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: November 2020

Our textbooks are from the most recent State-approved list and consistent with the content and cycles of the Curriculum Frameworks. Each student has access to his or her own textbooks and instructional materials to use in class and to take home. In our most recent adoption, each grade level was provided with the opportunity to examine the choices for math and ELA adoption. Each teacher gave a first, second, and third choice. The results were compiled into a grade level recommendation. The District Best Practices Committee analyzed those recommendations and a recommendation was given to the Superintendent and School Board. The teacher's first recommendation was adopted.

School Facility Conditions and Planned Improvements

Lincoln Elementary School was originally constructed in 1952 and has been regularly maintained. The Lincoln Elementary School campus is currently comprised of 31 classrooms, a multipurpose room/cafeteria, a library, one computer lab, one staff lounge, and a playground. There are three custodians that work overlapping shifts, a grounds team, and a support maintenance staff. The teachers, principal, and classified staff provide supervision before, during, and after school.

Cleaning Process: The principal works daily with the custodial staff of three to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The District Governing Board has adopted cleaning standards for all schools in the District. A summary of these standards is available at the District Office for review.

Maintenance and Repair: District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority to emergency repairs.

Facility Improvements: New LED lights for the outdoor corridors and inside the buildings were added. The school added fencing around the entire school. A new telephone system was added. The library was remodeled in the last couple of years. Recently a new HVAC system was installed for the classrooms connected to that system.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Parents and the community are very supportive of the education program at Lincoln Elementary School and participate on the School Site Council (SSC) and English Learners Advisory Committee (ELAC.) Parents also volunteer in classrooms and on field trips. Our last parent survey had 261 of them returned. Lincoln has many parents volunteer to help in their child's classroom. Lincoln Elementary School receives assistance from Kingsburg Community Assistance Programs (KCAPS). KCAPS provides students from needy families with backpacks, coats, clothes, and food.

Parents who wish to participate in Lincoln Elementary School's leadership teams (SSC or ELAC), school committees, school activities (parade-float decoration), or become a volunteer may contact Principal Matt Stovall at (559) 897-5141.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	2.4	1.3	3.0	1.6	3.5	3.5
Expulsions	0.0	0.0	0.2	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.01	0.01	2.5
Expulsions	0.00	0.00	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Lincoln Elementary School provides a safe and clean environment for students, staff, and volunteers. Safety of students and staff is a primary concern of Lincoln Elementary School. The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and State earthquake standards. At the beginning of the year, the District Safety Committee meets to review safety issues. Key elements of the safety plan include: identifying the level of threat, protective options, staff initial action/response, incident coordinator, and incident management team.

In order to stay connected, the administrative staff all have cell phones and digital two-way radios for emergencies. There are many digital two-way radios on Lincoln's campus for staff to communicate with during emergency situations. Fire drills are held monthly and earthquake and lockdown drills are held periodically too.

Teachers, paraprofessionals, and the principal supervise students throughout the day. There is a designated area for student drop-off and pickup. The school is gated, with open access during non-school hours only. Visitors must register at the office and receive identification badges that must be displayed at all times. Kingsburg Elementary Charter School District encourages volunteers in the classroom, field trips, and with special projects. All school volunteers in direct contact with students are required to complete a District application form, provide evidence of a clear tuberculosis (TB) screening, and receive a Megan's Law check. The District clears all volunteers with the local police department through an automated record check. Volunteers working more than 10 days per month will need to fill out additional forms and be fingerprinted.

The School Safety Plan was last reviewed and updated on 11/12/2020.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement		3.5	0.5

Staff members build teaching skills and concepts through participation in conferences and workshops throughout the year. The District offers three staff development days annually during which teachers are given a variety of professional growth opportunities in curriculum, teaching strategies, and methodologies. (The annual preservice PD days were cancelled, due to COVID. This year teachers had the option to participate in a half day virtual professional development series of workshops.) Teachers have the opportunity to receive additional development throughout the school year. Professional development topics include SIOP, Technology Professional Learning Communities, and curriculum alignment to the standards, writing and math.

Kingsburg Elementary Charter School District’s Beginning Teacher Support and Assessment (BTSA) program provides new teachers (those with less than three years of full-time teaching experience) and affected veteran teachers with personal support, guidance, modeling, direction, and mentoring in the areas of subject matter knowledge, teaching strategies, classroom management, and overall professional competence. In addition, the District also provides time and resources for collaboration, planning, and professional development for all staff.

In recent years and this year the Tulare County Office of Education has worked with our teachers to help them understand the process of Writing and guided reading. These trainings happen during the school year. 16-17 = Four 1/2 days of ELA PD, 17-18 = 2, and 18-19 = 2nd Grade = 3 full days and two 1/2 days. 3rd Grade = Two full days and two 1/2 days of ELA PD. 19-20 = 2nd and 3rd Grade 1.5 days writing training with TCOE. 2nd and 3rd Grade Math Training with FCOE = 1 full day and four 2 hour trainings. This year 2020-2021, new teachers received (1 day/all day) and then the 1 hour of Imagine Learning. The October 16th training was a voluntary training day where teachers got to select and personalize their training to support their needs.
