

**Island Community Day School**  
**School Accountability Report Card**  
**Reported Using Data from the 2019-2020 School Year**  
**Published During 2020-2021**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description and Mission Statement (School Year 2020-2021)

---

#### Island Community Day School Vision:

Island Community Day School will serve as a pathway to empower students who have experienced some form of school challenge (academic, attendance, behavior, or social) in the general education setting. We strive to provide the skills and supports students lack in an effort to successfully transition them back to the general education seated program.

#### School Mission:

Island Community Day School will prepare students to successfully enter a traditional school setting and achieve their goals.

Island Community Day School has students from the Kingsburg Elementary Charter School District. Island Community Day School faculty and staff believe in each of our student's potential to succeed! We believe earning an education is both their right and their responsibility. Each student must do their part, as a student at Island Community Day School, to make this a reality. Students are enrolled at Community Day School after a parent/student conference where alternative education options are considered. Referrals to Island Community Day School are the result of California Educational Code violations, late enrollment to the district without prior school attendance, or attendance problems at their home school. The length of placement at CDS can range from 45 to 180 school days or as determined by the site administration.

#### Goals

1. The Island Community Day School staff will continue to create a safe and warm environment for our students.
2. The PBIS model school framework will be implemented to ensure our students are in a safe learning environment.
3. Island Community Day School will be properly maintained to create a safe and warm learning environment.

## Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

**Year and month in which data were collected:** December 2020

Kingsburg Elementary Charter School District holds a Public Hearing quarterly and determines that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual Standards- aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. All textbooks and instructional materials used within the school are aligned with the California State Content Standards and Frameworks.

Students visit a library on campus that houses hundreds of books to further enrich their academic experience.

Each student has a chromebook with internet capabilities. Computer skills and concepts integrated throughout standard curriculum prepare students for technological growth and opportunities. Students are trained on google tools, keyboarding programs as well as additional on-line applications.

### School Facility Conditions and Planned Improvements

Island Community Day School was originally constructed in 1994. The campus is currently comprised of one classroom and a small office space.

**Cleaning Process:** The principal works with the custodial staff to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The District Governing Board has adopted cleaning standards for all schools in the District. A summary of these standards is available at the District Office for review.

**Maintenance and Repair:** District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner.

A work order process (School Dude) is used to ensure efficient service and the highest priority are given to emergency repairs.

The District participates in the State School Deferred Maintenance Program, which provides State-matching funds on a dollar -for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)		N/A	44	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**C. Engagement**

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

**Opportunities for Parental Involvement (School Year 2020-2021)**

Island Community Day School encourages parent involvement in all levels. Prior to any student entering our program, we meet as a team with the administrator, parent, student, teacher, and school staff from their prior placement. During this meeting we go over our behavior contract, handbook, expectations, incentives, and all other pertinent items. Parents are welcome to come and participate and observe our classes. In addition, a quarterly newsletter is sent home with information regarding academics, pbis, upcoming events, and opportunities. Our staff establishes strong connections with our families. They often text, call, email, and have face to face conversations.

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions			3.0	1.6	3.5	3.5
Expulsions			0.2	0.0	0.1	0.1

### Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.00	0.01	2.5
Expulsions	0.00	0.00	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

### School Safety Plan (School Year 2020-2021)

Island Community Day School provides a safe and clean environment for students, staff, and volunteers. Safety of students and staff is a primary concern of Island Community Day School. The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and State earthquake standards. At the beginning of the year, the District Leadership team meets to review safety issues and administration does a safety walk each month. Key elements of the safety plan include identifying the level of threat, protective options, staff initial action/ response, incident coordinator, and incident management team.

Students are supervised throughout the day by teachers and paraprofessionals. Kingsburg Elementary Charter School District encourages volunteers in the classroom, field trips, and with special projects. All school volunteers in direct contact with students are required to complete a District application form, provide evidence of a clear tuberculosis (TB) screening, and receive a Megan's Law check. The District clears all volunteers with the local police department through an automated record check. Volunteers working more than 10 days per month will need to fill out additional forms and submit to fingerprinting.

Number of school days dedicated to Staff Development and Continuous Improvement	2	2	

(The annual preservice PD days were cancelled, due to COVID. This year teachers had the option to participate in a half day virtual professional development series of workshops.)

Staff members build teaching skills and concepts through participation in conferences and workshops throughout the year. Additionally, the district offers several days during the year which teachers are given a variety of professional growth opportunities in curriculum, teaching strategies, and methodologies. Topics include: Professional Learning Communities, common assessments, Common Core, SIOP strategies, PBIS Model Program training and test disaggregation.

Kingsburg Elementary Charter School District's Beginning Teacher Support and Assessment (BTSA) program provides new teachers (those with less than three years of full-time teaching experience) and affected veteran teachers with personal support, guidance, modeling, direction, and mentoring in the areas of subject matter knowledge, teaching strategies, classroom management, and overall professional competence. In addition, the District also provides time and resources for collaboration, planning, and professional development for all staff.

Teachers are attending professional development that is focused on implementation of the common core standards specifically in the area of guided reading, plc's, and writing instruction.
